

Learning to drive was extremely nerve wracking for me, so much so that I put it off for a long amount of time until I started my lessons with Andy. Andy made me feel at ease and very comfortable, letting me learn at my own pace, whilst guiding me and helping me build my confidence behind the wheel. I really felt like I had achieved and learnt a lot in each lesson, which clearly paid off as I successfully passed first time! I would highly recommend Andy to anyone looking for a warm, friendly and successful driving instructor, who also manages to put a smile on your face each lesson!
