

Learning to drive with Andy was a wonderful experience, his welcoming persona made me feel at ease whilst learning to drive.

I always looked forward to lessons with Andy as he always kept me calm throughout my learning experience.

He is a wonderful teacher, always using his ultimate knowledge of driving to help me acquire the skills I needed to become a qualified driver.

Always giving constructive criticism instead of telling you that you've gone wrong, and giving lots of praise to help you feel more confident in yourself. I would highly recommend him to anyone who wants to learn how to drive.

Regards Millie
